Deconcentration and Income Mixing

☒ Yes ☐ No Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.

☐ Yes ☒ No Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

JOHNSTOWN HOUSING AUTHORITY DECONCENTRATION POLICY

It is the policy of the Johnstown Housing Authority to provide for deconcentration of poverty in its Public Housing Developments and encourage income mixing by attracting higher income families into lower income developments.

The Johnstown Housing Authority has reviewed all of the Public Housing Developments and it is determined that there is no concentration of families with higher incomes in any one area. All developments have average incomes below or at the Very Low Income Limits.

The Johnstown Housing Authority has determined that, in accordance with, 24 CFR Part 903, Rule to Deconcentrate Poverty and Promote Integration in Public Housing, the covered developments under this rule are Prospect, Oakhurst and Oakhurst Extension (contiguous site), Solomon, and Coopersdale Communities.

The Johnstown Housing Authority has reviewed and determined the average income of all families residing in all of the covered developments. The Authority then determined the average income of all families residing in each covered development. Each covered development has average incomes below 30% of median income. A determination was made whether each of the covered developments were above, within, or below the Established Income Range (EIR) determined by HUD as 85% to 115% of the PHA-wide average income for the covered developments. (See attached analysis - EXHIBIT A) Each covered development is within the Established Income Range.

The housing authority will strive to achieve a distribution of incomes among its residents. The skipping of an applicant on the waiting list, to reach another family to implement this policy, shall not be considered an adverse action. This policy will be accomplished in a uniform and non-discriminating manner.

The Johnstown Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered towards lower income developments and higher income residents will not be steered towards higher income developments. Marketing efforts will be designed to attract applicants from appropriate segments of the lower and very low income population. The Authority will use its marketing program to achieve a more representative income mix of lower income families among those on the waiting list and thereby attain a broad range of income in its communities.

The Johnstown Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development. Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and non-discriminatory manner. Reasonable flat rents have been established as an incentive to attract higher income families.

The Johnstown Housing Authority will annually analyze the income levels of families residing in the required covered developments, as well as, each of our other communities.

Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

B.2 New Activities.

(a) Does the PHA intend to undertake any new activities related to the following in the PHA's applicable Fiscal Year?

Y N

- | | | |
|-------------------------------------|-------------------------------------|--|
| ☒ | ☐ | Choice Neighborhoods Grants. |
| ☐ | ☒ | Modernization or Development. |
| ☐ | ☒ | Demolition and/or Disposition. |
| ☐ | ☒ | Designated Housing for Elderly and/or Disabled Families. |
| ☐ | ☒ | Conversion of Public Housing to Tenant-Based Assistance. |
| ☒ | ☐ | Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD. |
| ☐ | ☒ | Homeownership Program under Section 32, 9 or 8(Y) |
| ☐ | ☒ | Occupancy by Over-Income Families. |
| ☐ | ☒ | Occupancy by Police Officers. |
| ☐ | ☒ | Non-Smoking Policies. |
| ☐ | ☒ | Project-Based Vouchers. |
| ☐ | ☒ | Units with Approved Vacancies for Modernization. |
| ☐ | ☒ | Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants). |

(b) If any of these activities are planned for the applicable Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.

*** Choice Neighborhoods**

- Johnstown Housing Authority views Choice Neighborhoods as a unique opportunity to positively transform communities. With the Greater Johnstown area experiencing population decline and lack of development, this program can provide resources to assist neglected neighborhoods, explore options to modernize housing stock and uplift the community. JHA was awarded a Choice Neighborhoods Planning Grant in 2024, targeting the Coopersdale public housing site as part of a greater scope of the West End Neighborhood of the City of Johnstown. Most JHA public housing family communities in the City of Johnstown would be suitable selections for future Choice Neighborhood applications.

*** Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD**

- Considering funding trends associated with maintaining public housing stock, Johnstown Housing Authority has been receiving education and guidance on repositioning options. JHA may consider a Commitment to enter into a Housing Assistance Payment for properties where the process would be beneficial for the long-term health of the property's structures and residents' experiences.

B.3	Progress Report. Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan. * Goal/Objective: Expand the supply of assisted housing by reducing public housing vacancies. - We indicated that the JHA would maintain an overall occupancy rate of 96% or greater over the next five years. > Our occupancy rate for 2025 was 97%. As of this writing, the occupancy rate through June 30, 2026 was 98%. Occupancy rates have been steady, with regular turnaround of move-ins, move-outs, and transfers. * Goal/Objective: Improve the quality of assisted housing by improving voucher management, SEMAP Score; concentrate on efforts to improve specific management functions; and renovate or modernize public housing units. - We reflected that we would maintain "standard" or "high performer" status in SEMAP over the next five years; Maintain "standard" or "high performer" status over the next five years in PHAS and meet all obligation and expenditure dates established for Capital funds over the next five years. > In addressing the goal of maintaining SEMAP "standard" or "high performer" status over the next five years (FY 2024-2028), we were designated as a "standard performer" for FY 2025. We have addressed deficiencies that prevented us from the "high performer" designation. > In addressing the goal of maintaining PHAS "standard" or "high performer" status over the next five years (FY 2024-2028), we are currently designated as a "standard performer." To date, we continue to meet all obligation and expenditure dates established for our Capital Fund Programs. * Goal/Objective: Improve community quality of life and economic vitality by providing an improved living environment. - We reflect that we will designate developments or buildings for particular resident groups (elderly, persons with disabilities.) > In 2026, we submitted a request, which was approved by HUD, to renew our Designated Housing Plan for Fulton I. Connor Tower and Town House Tower for occupancy by elderly only. This designation will expire June 1, 2028. We will submit the same request in 2028 to continue the designation.
